

CURRICULUM VITAE

EHSAN TOOFANINEJAD

Assistant Professor of Educational technology
e-Learning in Medical Sciences Department
School of Medical Education and Learning Technologies (SMELT)
Shahid Beheshti University of Medical Sciences (SBMU)

e.toofaninejad@sbmu.ac.ir

 ORCID 0000-0001-6440-0992

BRIEF INTRODUCTION

Ehsan Toofaninejad, an assistant professor at the department of e-learning in medical sciences at Shahid Beheshti University of Medical Sciences (SBMU), has a Ph.D. in educational technology and a bachelor's degree in electrical engineering. He also worked as a visiting researcher for one year at the University of South Australia (UniSA) in Australia and California State University (CSUF) in the United States in the field of teaching and learning methods in online environments and virtual social networks. He has more than 12 years of experience in university teaching in the field of educational technology, 4 years as a virtual teacher in various universities, holding more than 50 workshops related to teaching and learning in face-to-face and electronic environments, as well as more than 15 years of teaching computer skills and teaching methods in schools and various industrial and educational institutions. All these experiences have made him possible to create a suitable combination of theories and research findings with practice in educational and learning environments. He has published various articles and researches into various fields related to education with a focus on technology enhanced learning (TEL) and e-learning.

EDUCATION

- Ph.D. Educational Technology, Apr 2017
Allameh Tabataba'i University
Supervisor: Prof. Esmail Zaraii Zavaraki
Thesis: Designing Instructional Pattern of the Learning Environment Enriched by Virtual Social Network and Its Impact on Learning Rate and the Social Skills of the Students with Hearing Impairment in Science Course
GPA (Grade Point Average): 18.92/20.00 (Top student in class)
- Visiting Scholar, School of Education & Teaching Innovation Unit, University of South Australia, Oct 2016 – Apr 2017
Supervisor: Prof. Shane Dawson (Director, Teaching Innovation Unit)
- Visiting Scholar, School of Education, Department of Special Education, California State University Fullerton, Jun 2016 – Nov 2017
Supervisor: Prof. Barbara Glaeser
- M.S., Educational Technology, Sep 2010

Azad University (South Tehran Branch)

Thesis: Comparison of The Student`s Learning Rate in Blended Instruction and

Face to Face Instruction in Elementary School Grade 3 Mathematics

GPA: 18.47/20.00

- B.S., Electronic Engineering, Feb 2007
Azad University (Central Tehran branch)

SIGNIFICANT ACHIEVEMENTS

- Top Student of Allameh Tabataba'i University in Ph.D. in 2016 and 2017
 - Honorary faculty member of the education department in the International Society of Communication and Development between universities
 - Top Student of Psychology and Education Department in Ph.D. in 2015
 - Second place in ICDL Olympiad
-

WORK EXPERIENCE

Institution	Position Held	Date
Shahid Beheshti University of Medical Sciences (SBMU)	Assistant Professor of Educational Technology	2022 – present
Saadi Foundation	Head of eLearning Center	2017 – 2022
Rouzbeh Educational Institute	Director of Department of Instruction	2010 – 2022
Allameh Tabataba'i University	Executive editor of Journal of Technology of Instruction and Learning	2014 – 2016
Rouzbeh Educational Institute	Educational Counsellor	2006– 2015
Kish schools	Instructional Assessor	2007–2009
Rouzbeh Educational Institute	Manager of ICDL Department	2006–2010
Rasagostar Co.	Board Member and Head of Educational Technology Department	2004–2009
Rouzbeh Educational Institute	Lesson Plan Designer and Instructional Officer of ICT Department	2003 – 2006
